

Our Heartfelt Thanks To You All

Our family would sincerely like to acknowledge the community of beautiful Norfolk Island and thank you for the love, support and kindness that has been humbly expressed to us all during our difficult times and loss.

We are most grateful to everyone for providing food, sending flowers, messages, phone calls, and cards from near and far with comforting words or dropping into our homes to offer support. To our extended families and friends for being a continual pillar to lean on x.

To of all the dedicated nurses, doctors and other staff members at our Hospital thank you for your unforgettable care, love and kindness, keeping our Mum and Nanna in good spirits and comfortable. To Dolly's beautiful and devoted friends ~ we are eternally grateful. Much appreciation to Jody, Tardy, Shane, the Work Depot staff, pall bearers, grave diggers, Borry's Rentals, Jimbo, Lou and Pinetree Tours. To all who dropped off flowers to the ladies at the 'usual place' so they could assemble the beautiful wreaths. Edie and Robbie for the beautiful arrangement for our special lady. Jan and Millie for picking buckets and tubs of foliage, plus the little ladies, big ladies and gentlemen for such a creative and colourful mound, and the Cascade little sullun for handing out service sheets x.

Our appreciation to Rev. David Fell for comforting prayers throughout Mum and Nanna's journey and

delivering such a memorable send off. Phil McDowell, Gaelene Quintal, Alec, Roy and Kenny Nobbs for a truly wonderful and loving tribute in All Saints Church. Ralph Holloway for always being there for us all and the Bumbora Ukulele Band for strumming and singing such comforting tunes x.
