

ST. JOHN AMBULANCE BRIGADE, Norfolk Island Division, from Sister Bonnie.

Last week, members of the Brigade and interested friends were honoured to have as guest speaker, Mr. Langman from South Africa.

Mr. Langman (father of Warren) spoke of his work in St. John in South Africa, where he is Senior Lecturer. His talk was most interesting and included in his work, he also told of the living in his country.

All members of the Brigade wish Mr. and Mrs. Langman Sen, a pleasant flight home to South Africa.

**First Aid Classes** will be held after Easter. Everyone is most welcome.

Remember - when someone is injured, or suddenly falls ill, every second counts.

Study First-Aid before finding yourself called upon to treat a casualty. The information you have learned can save vital moments - even a life - in an emergency.

**Members** - please don't forget your AGM on Tuesday, 13th March.

#### VALE.

We have received the sad news of the passing of one -of Norfolk's well-known characters, a resident of many years' standing, who, in the last few years was housed in one of the Mawson Units at the Hospital.

Darcy was on the mainland at the time of his death on 3rd March - and he died peacefully, in his sleep.

He would have been 73 years this coming May and had a very worthy war record.

Wing-Commander G.D.Wentworth, D.F.C. served in 30-31st Beaufighter Squadron in Darwin, Papua-New Guinea and Morotai. Was Commanding Officer 30th Squadron in 1944 and 31st Squadron in 1945.

He was awarded the D.F.C. on 11th May 1945.

Darcy and his wife Alice lived on Norfolk for many years but Alice decided to go back to the mainland to live. Darcy did not want to go so they went their separate ways.

A tall man of tremendous good humour, he had many friends on the island and was well known all about the community. He never complained about his health which was fairly good up until the last few months.

Darcy and Alice had two sons - D'arcy and David and two daughters - Wendy and Judy.

We are going to miss that familiar figure in the community and our sincere condolences are conveyed to Alice and her family in their loss.

Alice lives in Flat 8, "The Elms": Goss Street, Kingston, ACT. Canberra.
