Dear Tom,

I'm writing with news about my father, Geoff Cowap. He was secretary to the administrator 1966-1970. I know he is remembered with fondness on Norfolk because when I was there in 2009 so many people asked about him (I met you too, at the museum at the Reilly's old house on Quality Row).

I'm very sorry to have to tell you that Dad died on 11th December, peacefully at home, in Mum's arms. I thought that our old friends on Norfolk would want to know. Tamsin and Sarah drafted a notice for the 'Canberra Times'. I was wondering if it would be possible to put it in 'The Norfolk Islander' too? You will find the notice below.

Mum is at home still, at Springbank, 165 Carrington Road, Wallaroo, NSW 2618.

Kind regards,

*Susannah Churchill (Cowap).*
