### **Nancy VanBerschot**

Nancy, a longtime visitor to Norfolk Island, passed away peacefully in her sleep, in her home in Florida, USA, on Saturday 17 January.

Nancy visited 3 times a year, always staying at Fletcher Christian, and had many friends here. She was sometimes referred to as "The American lady in the yellow jacket". She travelled the world, but Norfolk was her 'special place', which was the reason she spent 6 weeks each visit.

Nancy's health declined late last year, but her memories of Norfolk and its people were vivid in her mind as recently as Christmas 2025.

Nancy was 96. Rest in peace, Nancy, you will be remembered by many on Norfolk.
