

Vale
Noeline Glenny

11.09.1933 - 09.02.2023

Noeline passed away peacefully at Gracelands Care Facility; aged 89 years.

Dearly loved wife of the late John Glenny. Deeply loved mother and mother-in-law of Carolyn and Terry, Phillip and Terese, and Andrew.

Cherished sister of Jackie, Rachel, Marion (deceased), Wendy, Sue, and Arthur. Treasured nana to her grandchildren and great grandchildren.

A private service will be held for Noeline. Messages can be made online at www.tnphb.co.nz or posted to the 'Glenny family', C/- PO Box 967, Hastings 4156.

A "thank you" for US!

The Norfolk Island Quota Club Members and Friends were privileged to host the N/I Government House Open Afternoon on Wednesday 15th February 2023. It was a marvellous success.

The visitors from New Zealand, Australia and living here on the island were very, very impressed. They were amazed at the beautiful manicured lawns and gardens after Cyclone Gabby had paid the island a visit!

Government House amazed the folk.

Very warm commendation and sincere 'thank you for Us' To Di Adams and Emily McCoy for their services to make Government House so magnificent. Thanks also for being with the "Sitters" during the Open Hours. Much appreciated.

Special 'thank you for Us' to our N/I Administrator, Eric Hutchinson for giving the N/I Quota Club the opportunity to host the afternoon.

Our "Sitters" Patricia Anderson, Loretta Boler, Lorraine Boudan, Jan Bradley, Margaret Buffett, Sheryl 'Puds' Buffett, Leigh Christian-Mitchell, Lyn Duncanson, Cherie Hamilton-Irvine, Jan Keeping, Robyn Mahoney, Lynne Moge, and Zena Zeilstra-Astill. --- a great 'team' --- thank you.

The Norfolk Island Quota Club will most certainly continue "to serve our Norfolk Island community"

Truly yours.

Maureen King (President)

WANTED TO BUY

NORFOLK PINE LOG of a minimum diameter of 500mm and approximately 500mm long. They should be recently felled and the logs must be free of branches.

They are to be used for musical instrument making so need to be clear of defects. I do not want logs more than 6 months old as they need to be free of borer attack.

Prepared to wait if you have an upcoming tree harvest that is to be felled in the future.

Please contact Joseph in the first instance at horvathj57@icloud.com to discuss further

Affordable and Efficient Small Chipping Service

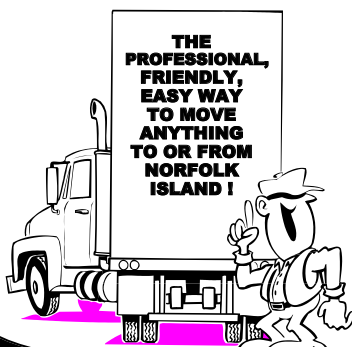

With a chipping capacity of 90 mm in diameter it is ideal for home maintenance. Perfect for untidy Palm Fronds and Ferns etc.

Turn your untidy branches into great garden mulch.

Phone Trev on 54019

ABN 29500994939
