

VALE

Only two weeks ago we welcomed home Joarty Snell and his dear wife Peg, together with their daughter Lorraine, husband Kim and the two children Damien and Monique. They had a wonderful time with all their relations and friends on the island.

They returned home to Orewa on the Tuesday 27th March, and it was on Thursday morning this week, 5th April, that we learned that Peg had been taken to hospital and had passed away on Wednesday 4th April.

Peg, an Englishwoman by birth met and married Joarty in New Zealand, just after the war and they had 3 children - all married - Milton, wife Marilyn, Frances, husband Gordon Salt and Lorraine, husband Kim Sabotka. There are 5 grandchildren.

Peg was a gracious lady, a devoted wife and mother and her death has been a very sudden and sad blow to the Snell families both in New Zealand and on Norfolk.

Our heartfelt sympathies are extended to Joarty, his family and all members of the Snell family on the loss of their beloved Peg.

.....

THANK YOU.

...Jan Bright of Auckland, returns home today after a 34-day vacation and her 22nd visit to the island she loves so much.

To all her friends on Norfolk she would like to record her sincere thanks for their hospitality, generosity and kindness.

"Until we meet again, my thoughts will be with you".

...Dean and Lisa Hawthorn would like to thank Dr. Parsons and all Hospital staff; to Tony for the rush to hospital and while I was with Daniel for his micro-surgery in Brisbane.

Thanks also to everyone who helped out at home and for their expressions of concern.

(Dean is our new Fire Officer, taking the place of Spider Webb, and he and his wife Lisa, with the children Daniel (2) and Melissa (4) have been on the island for last few weeks. During that time they have had a couple of traumatic incidents, not the least being Daniel's rush to hospital when he severely gashed his wrist through a glass panel.

We do hope that the rest of their stay on Norfolk - some 2 or 3 years - will be very happy.

Our Arts and Crafts ladies will be interested to hear that Lisa paints in oils!!!).
