Thank You

Our group of 43 walkers from Forestville R.S.L. Club wish to thank the people of Norfolk Island for our wonderful stay on your beautiful island.

A special thank you to Rebecca Christian and her team at Norfolk Island Travel Centre for the expert and thorough organisation of our flights, on-Island tours and many wise suggestions and friendly and helpful service. Also to Sue-ellen Quintal and her team at Aloha Apartments which made our stay so comfortable - all our requests were met with a most friendly and obliging response.

Everyone was very happy with the Pinetree tour guides who helped explain and bring alive the history and culture of the island.

I am sure many of us will be back again.

Stan Harris

We have received the sad news of the death of Mr Stan Harris in Christchurch on Sunday 8th March. Stan and his wife Joan began visiting Norfolk Island over 20 years ago, and fell in love with the place and the people. S

Stan and Joan made many good friends here, and always tried to keep in touch by phone and letter in between their visits. They especially loved to visit around Thanksgiving time.

In the early days, they brought granddaughter Katie several times. Katie has some great memories of her holidays with her grandparents.

Joan passed away a few years ago, but Stan continued to enjoy spending time here, in a place where there were so many happy memories. In fact, in recent times, he has tried to come twice a year.

Stan is survived by sons Lindsay, Roger and Michael, and daughters Shirley and Cathy. Both Shirley and Cathy have accompanied Stan on recent visits, and have been able to come to understand why their Dad loved Norfolk Island so much.

Condolences can be sent
