

Vale
Terry Butters

We are deeply saddened to advise of the sudden passing of Terry while travelling in South Australia.

Terry is a proud descendant of Nathaniel Lucas and Olivia Gascoigne, first settlers of Norfolk Island who helped to build and shape the future of Norfolk as we all enjoy it today.

Much loved life partner of Jo, son of Nola and Ray (both Dec), loved brother and brother-in-law of Ronald and Paul, Brian and Sharon.

Loving father of Carley and adoring Poppy of Christian, Aiden, Nathan and Niamh.

Friend of all, loved by many and missed by more.

“Embracing life, he walked his own path, navigating adventures true to his heart. A leader for many, a follower of none. Ride free, you will be deeply missed”.

A Big Thank You

To all the beautiful souls both here on island and offshore who sent messages to me via phone, text, email, facebook, messenger, and beautiful sympathy cards when Chilla passed away five weeks ago, I really appreciate your kindness and thoughtfulness.

You know who you are.
